

Modec Awards:

U.S. Chamber of Commerce Blue Chip Enterprise Awards

Modec, Inc. announced today that it has been recognized as one of the Countries Top Small Businesses by The Blue Chip Enterprise 2000 Nation Competition sponsored by the United State Chamber of Commerce and MassMutual Financial Group. The award recognizes small and growing companies that have seized opportunities, creatively utilized resources, and achieved success.

MassMutual-The Blue Chip Company, the U.S. Chamber of Commerce and Nation's Business magazine proudly sponsor The Blue Chip Enterprise Initiative Program. The program recognizes small businesses that have demonstrated the ability to withstand the cyclical nature of business, overcome adversity, seize opportunities and succeed.

Since 1990, the program has recognized nearly 1,600 successful small businesses. Any for profit firm that employs from 5 to 400 people and has been in business for more than 3 years is eligible. Judges select state honorees and from those, four national honorees are chosen. State honorees are recognized at 40-50 regional ceremonies, while the national ceremony is held in Washington, DC, at the U.S. Chamber of Commerce, in February of each year.

Honorees receive publicity in Nation's Business magazine. Nationally, numerous newspapers, trade journals and magazines provide additional publicity for BCEI winners. Additionally, through the book and video series, "Insights and Inspirations: How Businesses Succeed," the real world learning experiences of the honorees are shared with other small businesses.
